Weekly Summary

Compared to last week's market, the average prices of weight classes of feeder steers and heifers weighing 400 lbs and down finished from $8 to $12 higher while those classes over 400 lbs ended fully firm with last week's figures. Both the slaughter cow and bull demand continues to stagger and ended $3 to $5 lower.

The board again closed in red figures today, but we witnessed no effect on buyer aggression as feeder buyers continued to secure inventory for the wheat country. The price gap between the front-end classes and plainer calves appears to still be widening.

COMMENTS

Even with big resistance against the rancher on the CME, grazing size calves/yearlings were met with full force from our buyers today. We had several cases where light weight cattle were higher over last week! This would not be the case on the heavy end of feeder cattle as they fight a battle with limited time. I would add that we keep seeing the gap spread in price between the quality cattle and plainer or ungroomed cattle. Stock cow demand is still good, but definitely some uncertainty. Packer cows taking another lick on the chin this week! We appreciate everyone and will see yall next Wednesday! Already 70 heavy bred cows next week!

Attention

Sale starts at 9 am with calves and yearlings, stock cows will follow!
Please have yearlings and cows at the barn by 12:00 on Wednesday!
