

# JOSEPH KULNIS

---

## Core BTS Employee Biography

### SUMMARY

As a Core BTS Security practice member, Joe has over 30 years of experience in the information technology industry and has played vital roles in many cybersecurity leadership, assessment, and advisory projects. Joe's core skills include Governance, Risk, and Compliance. Joe has significant experience helping organizations understand and work toward program compliance and best practice within the myriad of information technology, cybersecurity, and privacy mandates and guidelines. Additionally, Joe mentors and lectures on topics ranging from compliance programs and cyber-safety to business impact analysis and their tie-in to continuity, response, and recovery plans.
