

Rotary Club of Salem
Bellringer
12/9/2020

Ozzie Rose is ringing the Bell one more time for Salem Rotary's 2020 Tree of Joy Project. Thank you, club members for your generous support to date. We still need money or toys to spread Christmas Joy to the many underserved children in our Community. Club members can still support our effort by (1) making a tax-deductible donation (check or online) to the Salem Rotary Foundation or (2) purchasing a gift for a child of any age – ship or deliver to Dawn Bostwick, c/o Huggins Ins., 235 Front St SE, #100, Salem, OR 97301.

Sandra Burnett, of the Salem Art Association, is ringing the bell for the launch of the all-new Bush Barn Art Center Online Marketplace. We are excited to have launched this platform to serve our artists and community with opportunities and interactions in the arts, while respecting the need to keep everyone safe doing the current pandemic. We invite you to access our virtual gallery through our website at saalemart.org. Peruse these web pages and enjoy gifts that will be cherished, artworks that inspire and uplift, and beautiful items for everyday use. Through this platform, we encourage you to support local artists and keep the arts thriving in our communities. For members: you can get your member discount on all artworks on the online marketplace. Use this code at checkout: SAA MEMBER 10. So – for your holiday gift-giving this year visit Salemart.org – there is always something special, for someone special.
