

Getting Involved

In the

Rotary Club of Salem

2020-2021

There are many committees in the Rotary Club of Salem from which to choose. They are grouped below under categories according to board directors. You can read about each committee and get committee chair contact information on the club database. Go dacdb.com Login in. Click on My Club. Click on Club Committees. If no chair is listed, contact the listed director.

While our meetings are conducted via Zoom, the following committees are on pause. They will resume committee functions when we are, once again, holding face-to-face meetings.
