

Rotary Club of Salem
Bellringers
6/9/2021

Elise Bauman with Salem Harvest is ringing the bell today to say Thank You to all the Rotarians who gave during their Matching May Campaign - especially Larry Konick and Dewey Whitton whose generosity and leadership helped fund the matching amount. Their \$20,000 campaign goal was exceeded! President Sue - Please ring the bell for fresh fruits and veggies being rescued and provided to hungry families in our community.

Ryan Collier is ringing the bell for the Boys & Girls Club's annual art auction on June 17. Please join us for a socially distanced night of wine, appetizers and exquisite art at Illahe Hills Country Club! Local exquisite art will be available to view and bid on in person OR online if you would prefer to participate from the comfort of your home. Festivities start 5:30 and Tickets are \$25. Please visit the Boys & Girls Club website <https://bgc-salem.org/news-events/artauktion/> or email Sue or Robbin for more details on how to get registered. See you there! Ring the bell!

Kaitlyn Beals is ringing the bell. The YMCA would like to ring the bell for Summer Camp!! After missing the opportunity to get kids outside last year, we couldn't be more excited (or ready) to welcome kids back to Camp Greider, Camp Silver Creek and our in-town Summer Day Camps this summer. For over 80 years the YMCA has been providing youth opportunities to explore, learn, and connect with their peers through summer camp. Y Camp is a place where kids can find safety, sanctuary, and acceptance no matter what they are experiencing in their life. Out of all of the years, the Y has provided this fun and engaging experience, this might be the year that youth need camp the most. Register your school age children (K-5 at our in-town day camps, Grades 1-12 for Camp Silver Creek, Grades 1-10 for Camp Greider) at www.theyonline.org/camps.

Sue Bloom rang the bell for Ryan Collier and his great work! Ring the bell!

Spencer Taylor rang the bell for in person meetings at Rotary. Ring the bell!

Ryan Collier rang the bell for his son's graduation from Oregon State University in Electrical Engineering. Ring the bell!

David Decklemen rang the bell for his son's graduation from the University of Oregon. Ring the bell!
