

Rotary Club of Salem
Bellringers
4/7/2021

Chane Griggs is ringing the bell on behalf of our presenter today, Russ Monk of High Impact Technologies. Thank you, Russ, for being here with us today! As anyone who has ever been a Program Chair knows, it can be stressful the day of your program because you just want everything to go smoothly. Russ was here 15 minutes early! Thank you!

President Sue is ringing the bell in honor of the new Boys and Girls Club going up in NE Salem. It was featured in this week's issue of "Chalk Line," a local publication. There is great progress and Sue is very thankful to all those involved and to the Epping Family.

Alison Kelley, Liberty House, is ringing the bell in honor of springtime and all the beautiful blooms in the Children's Garden at Liberty House. Many Rotarians including our own **Richard Pine** worked hard to help build that garden, and now there is something beautiful to see all year long. This garden is one of the first things children see when they arrive at their Liberty House appointment. Thank you, all!

Alison is also ringing the bell in honor of the Liberty House MegaRaffle. Tickets are on sale now and there will be a livestreamed drawing on May 6. Instead of doing the auction this year, this MegaRaffle offers a fun, easy way to support the great programs of Liberty House AND also gives you a chance to win an amazing prize! There are over 200 prizes, and right now we have sold 600 tickets – tickets are on sale through May 5. Your chances of winning are high. Visit the Liberty House website at www.libertyhousecenter.org for more information and to see a gallery of prizes. Last year we saw 697 children in our clinic and there are at least a thousand more children we should see each year. Your support makes all the difference and helps vulnerable children in our community. Thank you!
