

Rotary Club of Salem
Bellringers
4/28/2021

Tricia Frizzell is ringing the bell for Youth resiliency in the face of adversity. April is Child Abuse Awareness Month. All children and youth surviving and thriving deserve our love, respect and support. When you hear their stories, you can't help Youth but be moved into action by love and compassion. Ring the bell for Salem's youth!

Chane Griggs is ringing the bell for Chuck Swank who is not only today's speaker but also the steward of the club's resources for which we owe him a debt of gratitude.

Pam Wasson is ringing the bell in a lighthearted way for today's speaker, Chuck Swank. Pam is wondering if any other eblast readers connected Chuck's mugshot-like photo with today's program description which reads: "Have you ever wondered where your dues money goes? What about the dollars from experiences and contributions you make at our annual fundraising event? My job is to tell you how I've spent your money!"

From the floor:

John Shirley, Renee Campell, Ken Van Osdol, Jason Greenwood, Larry Gray, Tim Nissen, Claudia Vorse, Kim Lemman, Justin Tyler, Steve Horning, Jayne Downing, Larry Konick all ring the bell in appreciation of **Chuck Swank**.
