

Rotary Club of Salem
Bell Ringers
5/13/2021

Linda Bednarz is ringing the bell for the Amazing Salem Race, Salem for Refugee Edition, to be held this Saturday May 15th. Linda is participating in this fundraiser as part of the Wellness First team. She has been part of a wellness/mental health committee helping to develop support resources for refugees who have been supported by the Salem for Refugee program in the last several years. SFR has done an amazing job of supporting refugee families from around the world, including Syria, the Republic of Congo, Sudan, and others. If any fellow Rotarians would like to support Salem for Refugees by sponsoring Linda's wellness team, please contact her at ljbednarz@gmail.com or 503-851-2938 (I will link in the chat). Please Ring the Bell for the Amazing Race for Salem for Refugees.

Ron Kelemen would like to ring the bell to celebrate seeing his first grandchild—13-month-old Hazel—in the UK. It took a few days for her to warm up to him, but it was well worth the 5 Covid tests, 5-day quarantine, and logistics of navigating the UK's strict Covid measures. She's a keeper, but Kathy and Ron don't recall how much work a toddler can be! Please Ring the Bell!
