

Rotary Club of Salem
Bellringers
5/5/2021

Elise Bauman is Ringing the Bell. It is Matching May at Salem Harvest! For the entire month, your donation to help feed hungry families by harvesting fresh fruits and veggies will be **MATCHED** up to \$10,000 – **DOUBLING** your impact within the community! This means your \$50 donation will harvest 624 pounds of fresh food in May. Donate \$100, and well over a **HALF TON** of healthy food will be saved, providing healthy food for thousands of people in our community. Two dedicated Salem Harvest supporters and Rotary Club of Salem members - **Larry Konick** and **Dewey Whitton** – have generously pledged most of the matching funds. Don't let their generosity be lost! Make your donation today at SalemHarvest.org OR mail a check to Salem Harvest, P.O. Box 483, Salem, OR 97308

Chane Griggs is ringing the bell for Past District Governor **Renee Campbell** for her presentation during last weekend's virtual District Conference. She inspired the participants with her thoughts on continuing the great work that Rotary clubs provide while still looking at new ways to engage current members and potential new members. We should all be so proud that Renee is a member of OUR club!

Warren and Linda Bednarz are ringing the bell for their daughter **Stephanie Bednarz**. She has been working for the last month as office manager and executive assistant for a Salem start up called Treenada. They manufacture steel building panels to provide affordable homebuilding solutions. Stephanie is organizing a hiring fair for the company on Saturday, May 22, 10am to 1pm. They are seeking production technicians and apprentices. Anybody interested can call Stephanie at 888 414 4150. We are proud of Stephanie and the new innovative company Treenada. Ring the bell for Stephanie Bednarz and Treenada.
