

Jump Start Your College Career this Spring 2020!

Dear Cardinal O'Hara Family,

Delaware County Community College (DCCC) and Cardinal O'Hara High School are partnering to offer eligible COHS students the opportunity to enroll in college courses and **earn college credit** while in high school. These classes are taught at Delaware County Community College in a traditional classroom setting or online.

OPEN DUAL ENROLLMENT

Take classes for **\$63** per credit which is a savings of more than **64% off** regular tuition costs.

*Choose from a wide variety of classes such as English Comp I, General Psychology, Intro to Sociology, Intro to Computer Science and more.

* Student must meet eligibility requirements as outlined on the course description.

Application and Testing

- Complete a [DCCC Dual Enrollment Application](#) Or pick one up in the Academic Affairs office
- Submit qualifying SAT/ACT scores (page 3 of Dual Enrollment Application) or take the Accuplacer Placement Test**

** DCCC will schedule a group testing session at Cardinal O'Hara once in the Spring and once in the Fall – dates TBA. Students may also schedule to test on their own by calling 610-359-5320 and can test at our main campus or any of our surrounding branch campuses.

Benefits

Stay on with DCCC to complete your Associates degree and transfer to a 4 year college or university via a Transfer Agreement (some with scholarships attached).

Take your credits with you to the college or university you are attending immediately after graduating from high school.

Both options save you money and time!

Discuss these options with your counselor today!

Parents! As a parent myself and as an Adviser I would like to point out the advantages of Dual Enrollment. Your students have a wonderful opportunity to earn transferable college credit while still in high school! Official transcripts of the credits they will earn are easily sent to your child's future university via his/her DCCC student portal known as delaGATE. These credits also work toward their Associate's Degree at Delaware County Community College should they decide to stay on with us after graduation. The very same class that your COHS student will take for \$189*** a high school graduate will be taking for \$560 - 590! I am happy to be a part of the Dual Enrollment team at Delaware County Community College and to share this information with high school students in Delaware and Chester Counties. Cardinal O'Hara High School engages in this partnership to offer your students the benefit of getting a jump start on their college career.

If you have any questions please contact me.

***Sponsoring school district rate of \$63.00/credit ---- Non-sponsoring rate is \$125.00/credit = \$375/3 credit class

Sue Oakley, Assistant Director of Dual Enrollment and High School Initiatives. You can reach me at soakley@dccc.edu, or by calling 610-325-2812.
