Where: Peninsula Jewish Community Center (Boardroom)
800 Foster City Blvd
Foster City, CA 94404

Register [HERE](#) – \$20

Description:

FALL 2018 SENIORS ONLY. This is a students-only session. Space is limited.

This workshop will introduce students to the complexities of the current college admissions process and will provide a real world, personal, and workshop-based approach to creating and expanding on your personal narrative in your application statements. We will help you draft notable responses to the Common Application 2018-2019 prompts, the UC Personal Insight Questions 2018-2019, as well as the supplemental questions required by many private schools. Whether you already have a draft or are still looking for where to begin, this workshop will be helpful in your process!

Students will:

- Have the opportunity to submit up to TWO essay draft(s) for individual edits online by our editors
- Have access to successful essay examples and other college essay resources
- Receive personalized feedback to help revise and improve your essays
- Participate in a small group breakout session with your editor
