

# Get Involved with the Millbrae – Support Our Students Campaign!

This June, Millbrae voters will have the chance to vote YES on a measure that will retain highly qualified teachers and provide 21st-century, hands-on instruction in science, technology, engineering and math. Millbrae – Support Our Students is a grassroots committee of parent and community volunteers coming together to support our local schools! Endorsements, volunteer efforts and donations are critical to garnering the support needed to protect quality education in Millbrae schools. This measure will require 66.7% approval to pass so we need your YES vote.

## JOIN US!

-  **Donate** – We need 66.7% support to win, so we must run an aggressive campaign. We rely on donations to produce messaging materials, such as direct mail and fund an effective volunteer effort.
-  **Endorse** – Demonstrate to the community that this measure is broadly supported throughout Millbrae. Organizational and individual endorsements are needed.
-  **Sign Up to Volunteer** – Beginning in April we will phone bank, walk precincts and spread the word about the measure. Sign up now.
