

Abstract Guidelines for SBIDS 7

1. Abstracts are submitted via the provided link at dystonia2027.org and due **1 December 2026.**
2. As submitting author, you will receive all communications regarding the submitted abstract(s). Please ensure to pass all information on to the presenting author as necessary.
3. Do not include author names in the title or body of your abstract – these are entered online during the submission process.
4. Abstracts are to be submitted in English.
5. The maximum length for an abstract is **400 words,** and it should include the following content: introduction, materials and methods, results and discussion. Abstracts may also include one table or figure. Please ensure that research findings are described to a level sufficient for reviewers to make an informed decision on scientific quality. Abstracts that fail to meet these criteria will not be accepted.
6. There is no limit to the number of abstracts on which an author may be listed.
7. Abstracts will be reviewed and authors notified of the outcome of the review process by **31 December 2026.**
8. Accepted posters should be printed for display and follow traditional landscape format (48” x 36” (121.9 cm × 91.4 cm)).
9. Selected abstracts will be highlighted by allowing an additional opportunity for a brief platform presentation during the symposium.

*Please note that at least one author must register in full to attend and present the abstract at the conference.
