

SVA Song

As the sycamore stands tall and strong,

Explorers unite in song.

We stand together firm in our noble cause to learn.

This is the place where we belong.

Perseverance and honesty,

Kindness, Integrity,

Helping each other every day.

We do what is right, Because it is right.

Hooray! Explorers SVA! SVA

Say, Hey, Explorers SVA.

We will nurture curiosity

Our talents, creativity,

Love of learning, love of life, and when we are grown we'll strive

To strengthen our own communities.
