

THE SYCAMORE LEAFLET

The Fall Festival is tonight (Friday)!!

By Mia Angulo, Ellie Elms, and Madeline
Papanickolas

Don't miss the annual SVA Fall
Festival happening this Friday, 10/27,
on the BOA campus from 5- 8:30pm.

Blue Oak Academy is located at
28050 Road 148 in Visalia, just past
Luis Nursery, off of east Caldwell.

We interviewed, Mrs. Flynn,
the Chair of the Fall Festival. She
has worked so hard to put this
fantastic event together and we are
very excited to dress up and have fun
at this festival. If you can't handle
your excitement, we will tell you
some activities that will be held there.

There will be the famous Pie
Toss where you can throw a pie at
your teacher's face for ten dollars!

Mrs. Flynn also has Chicken Poop Bingo, like last year but she decided to take the brown poop hat and turn it into an unicorn poop hat! You guessed it! It is rainbow poop hat otherwise known as a “unicorn poop hat.”

If the boys don’t want a rainbow hat, she has purchased inflatable mohawk hats for the boys to wear at the fall festival. Aren’t you glad she thought of you boys?

If you haven’t received the flyer yet about the costume contest, we will give you the news about it. Wear your costume and join the costume contest where you compete with your fellow students for the best costume. It might be you who will win! The prize is a free lunch with Mr. Benton!

That’s the news. See you at the Fall Festiva!

SVA Cross Country Has Successful Season

By Lucas Lima, Fifi McClain, and
Michael Renzi

The new cross country season kicked off with some new names and some old ones, too. Last weekend, the team traveled to San Luis Obispo and ran against the nationally known McFarland team. We interviewed

some of the new faces in the show, including Jack Dutton.

Leaflet: How hard is the cross country team?

Jack Dutton: It's pretty hard at first, but once you get the hang of it, it's easy.

Leaflet: How does it feel to work and play with 6th, 7th, and 8th graders?

JD: Fun and quiet, because all of the 7th and 8th are talking while Christopher Alegre and I lurk in the shadows.

Leaflet: Good luck, Jack!

JD: Thank You.

We also sat down with Coach Ontiveros for his perspective on cross country. Here's what he had to say:

Leaflet: How do you like coaching cross country?

Coach Andrew: I love coaching cross country! Out of all of the sports I've coached, from soccer to football,

cross country is where I put most of my effort.

Leaflet: What's your background with coaching?

CA: I have coached soccer, travel team soccer, basketball, and football. I started out as a volunteer for the Visalia football team.

The SVA Cross Country nTeam will have its last race on Friday, October 27 at Hickey Park in Hanford. This will be their first 5k race. Good luck, SVA Cross Country!
