**Commitment
Campaign
2022**

Dear Friends,

Our Balmoral family hasn't had it easy over the last year – we have lost loved ones to death and moves, learned of the retirements of dear Carla and Anne, and known disappointment in not being able to have close-up fellowship or worship.

And yet our church family prevails, thanks to the commitment we make to each other through God. Our music and worship leaders devote hours each week to make our worship beautiful as well as meaningful, and we all have learned how to sing in our hearts and smile with our eyes. Our Human Resources committee works diligently to make our pastoral transitions successful, and we already have seen the fruits of their labor in the wonderful addition of the Rev. Elizabeth Dick as our Pastoral Care Resident. Our Covid-19 task force members continually navigate changing guidelines and conditions to help us stay safe. Our Operations members ensure our building and grounds are well maintained. Other members defy rain, cold or heat to provide food to the hungry and elderly as part of our Outreach efforts. And still others work selflessly to keep us well connected via newsletters, technology and “zooming” small groups. We can finish our year with a grateful heart despite the difficulties it brought.

Likewise, changes and challenges certainly await us in 2022 -- but both are essential for our growth as a church. With the New Year we will hire a transitional pastor who will support us as we envision where God is leading us. We also will begin the search for a permanent pastor, while nurturing our continued growth in God with Circle of Faith, and putting the Covid-19 pandemic behind us. In addition to maintaining an expensive building, supporting our outreach, worship and fellowship needs, we also have needs for upgrades in technology and office support to consider as we budget for 2022.

In meeting these financial needs, the smaller size of our congregation presents an additional issue. Your commitment to the church, through your involvement, prayer and financial support, is important for us to respond to the challenges and opportunities ahead. No one should give more than they are able, but we ask everyone to prayerfully consider giving what they can. Returning your pledge by Sunday, September 26, allows our budget planners to write a responsible financial plan that puts your dollars to the best use.

It is with a grateful heart that we thank you for your commitments to Balmoral Presbyterian Church. Let us look forward to 2022 with hope and confidence that God is working through us to be The Church.

Blessings,

The Session
