Coffee & pastries provided in the mornings. Lunch & beverages provided Wednesday & Thursday. We are on a campus shut down for winter break. There are no food services open and leaving campus for food and drink is inconvenient. Dress warm, as the university auditoriums are known to be chilly! Parking passes are mailed to you. If you do not receive them in the mail, pick them up at the registration table on the first day. These parking passes **MUST** be hanging from your rear view mirror at all times, a different pass for each day. After registration you will be emailed a campus map, indicating specific parking area and classroom area.
