Course Highlights

- Principles of Quality Concrete
- Fundamentals of Concrete Materials
- Air Entrainment, Admixtures
- Ready-Mix Operations
- Mix Design Fundamentals
- Reinforcement
- Hot & Cold Weather Concrete
- Laboratory Testing
- Sampling, Field Testing, Yield
- Finishing, Curing & Jointing
- Course Exam on Final Day

Coffee and water provided in the mornings. Lunch and water are provided Tuesday & Wednesday. We are on campus when the campus is shut down for winter break, so there are no food services open and leaving campus for food & drink is inconvenient. **Dress warm, as the university auditoriums are known to be chilly.** Be prepared to be in weather conditions outside for a short amount of time. Parking passes are provided at the registration table on day one. These parking passes have to be hanging from the rear view mirror. A different pass for each day. **Covid19 practices will be strictly followed. The University follows Kansas City, MO Covid Standards.**

Celebrating 55 Years of the Finest Concrete Training in the Country!
