A MAGNET PROGRAM

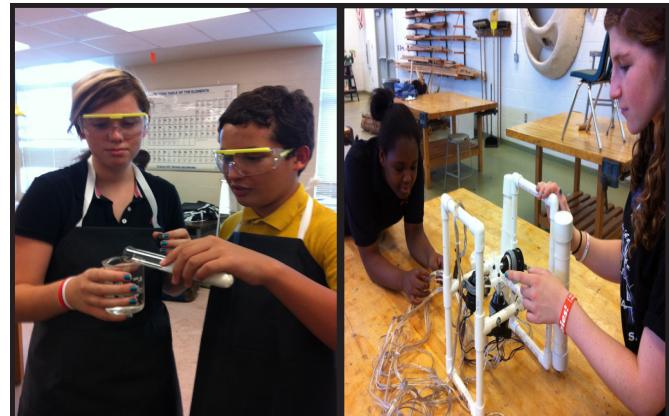

At Magnet Program

Have You Heard...

Star Power - Stewart Middle Magnet is a nationally recognized NASA Explorer School focusing on Science, Technology, Engineering and Mathematics (STEM) education featuring Project Lead The Way curriculum. Students are attracted to our school through the Aerospace, Engineering, Environmental, Robotics, Computer and Video Game Design electives. **Going Above and Beyond**, we develop independent learners and creative problem solvers ready to address the challenges of the 21st century global community.

Come Soar - Our commitment to excellence and rigor is fostered by our strong collaboration with parents, community and staff. Partnerships with NASA, NOAA, Air Force, FBI and many others engage our students with real-world learning.

Launch Pad for Learning - Achievement is enhanced with frequent field trips to exciting locations such as the Kennedy Space Center, Tampa Bay Watch, Crystal Springs, Mote Marine, Florida Aquarium, Museum of Science and Industry, college campuses across the state and more! Partnerships with the University of South Florida's Colleges of Engineering and Marine Science, the University of Tampa, CH2M Hill (civil engineers) and Derrick Brooks Foundation provide mentoring and site visits to stimulate high achievement across all ability levels.

Points of Pride

- ◆ WeatherSTEM Weather Station
<https://hillsborough.weatherstem.com/stewart>
- ◆ Magnet Schools of America National Merit Award 2013, 2014, 2015, 2016
- ◆ Project Lead the Way Gateway program
www.pltw.org
Featuring PLTW Flight & Space course for all students
- ◆ Collaboration with all Magnet Elementary and High School STEM Programs
- ◆ John Glenn Top Gun Academy- Honor Society for students with an interest in Aerospace and Aeronautics.
- ◆ Math Academy for gifted/talented 6th grade Mathematicians
- ◆ Math League and Math Counts Counts Competition Teams
- ◆ Mu Alpha Theta - High School Math Honor Society
- ◆ Weekly After-School STEAM Clubs After-School and Summer HOST STEM Program
- ◆ National Award Winning Maker Space
