

OCTOBER 24th-29th CHS COLLEGE WEEK

Centennial's 6th Annual College Week is here!

The goal of College Week is to promote the college going culture at Centennial. Over the course of the week we will be having several workshops, activities and events which are all focused helping students plan and prepare for their next steps after high school. College Week is an opportunity for students in all grades to learn about the road to college along with different options and possibilities which can allow students to achieve their college and career goals.

CHS parents are welcome to attend any of the listed events with notated with an asterisk (). Please register using the QR code.*
