Information About COVID-19

The national Epilepsy Foundation continues doing everything possible to provide up-to-date information to assist you during this national/global crisis. Please click **HERE** to read the most recent version of the article, **Concerns About Coronavirus and Epilepsy**, originally posted on **epilepsy.com** on February 28. We will share further updates with you as they are received.

Again, for each of our weekly updates, we will continue to provide you information for Kentucky or Indiana. If you would like to be updated on the steps being taken by your state to combat COVID-19, click on your state below.

Kentucky Info

Indiana Info

If you are in need of further information, here is a list of Kentucky, Indiana, and national resources:

- You can contact the non-emergency number for your local police department for questions, inquiries, and well-checks. If it is an **emergency**, **dial 9-1-1**.
- Dial **2-1-1** for local resources and assistance with bills, housing, and food.
- Contact your **local community mental health center** to inquire on telehealth options for support with anxiety and depression, such as:
    - **Kentucky:** Centerstone (**https://centerstone.org/locations/** / 1-877-HOPE-123 (1-877-467-3123);
