$75 General Registration on or after 01.02.21

SESSION DESCRIPTION

Please join us on January 15, 2020 from 9 AM to 12 PM PT for **Marijuana, Opioids, and Breastfeeding: Research, Impacts, and Needed Information** a half day live webinar that will be recorded and available for one month featuring **Dr. Thomas Hale**. Dr. Hale will focus on the latest research conducted pertaining to marijuana and opioids and its impacts on human milk. He will give insights into how you can provide accurate information to breastfeeding mothers and evaluate the risks in each individual situation. Directly following the lecture Dr. Hale will be available to answer questions from our audience.
