VERGENNES PARTNERSHIP

2025 FUNDRAISING CAMPAIGN

TEAM SCOTT

Scott, a lifelong resident of Vergennes, has been an active supporter and Board member of the Vergennes Partnership since its inception in 1999—he is currently our Treasurer.

By day, he is an insurance agent and owner of Gaines Insurance Agency; but by night (and weekends), he is a dedicated community volunteer and leader. Scott is a former president of the Vergennes Chamber of Commerce (now dissolved) and a longtime member of the Vergennes Rotary Club, where he has served as president three times. He is also the organizer behind the popular Vergennes Day Race fundraiser.

Known as the “go-to guy” to get things done, Scott has spent countless hours on outdoor projects big and small—from painting City Hall bathroom radiators on the hottest days of summer to trimming the hedges in City Park at daybreak. Once nicknamed the “get ’er done guy,” he has since evolved into the steady hand behind the Partnership’s rallying cry: Let’s Make it Happen!
