

GFA Safety Breakfast

Wake up to Safety

SEPTEMBER SAFETY BREAKFAST

The safety breakfast is an informal and enjoyable opportunity to network with other members of the general, construction and engineering industries while gaining free and effective safety training.

A continental breakfast will be provided, along with a safety presentation on “**How to Assess the Gaps in Your Safety Program.**” GFA will present the basics of safety gap assessments. Attendees will be able to identify where their safety program is compared to where it needs to be, thus creating an ‘action focus’ to help initiate solutions and strategies for reducing or eliminating environmental and workplace hazards. Improving your safety program will improve the health and safety of workers and building occupants, increase OSHA compliance, decrease costs, and reduce workers’ compensation claims.

When:

Tuesday, September 24, 2019 from 8:00 AM to 9:00 AM EDT

Where:

GFA FORT MYERS OFFICE
201 Waldo Avenue North
Lehigh Acres, Florida 33971
