

Coconino County Republicans

January 2026

Happy New Year's Greetings to everyone! I hope you all had a wonderful Christmas and are ready to begin the festivities of the new 2026 election year.

This 2026 election is going to be one of the most important midterm elections in the history of this nation. This Democrat Party is no longer your grandfather's Democrat Party. In all honesty, it is a party that would please Karl Marx, Joseph Stalin, and Mao Tse Dong, and if smiles are allowed in Hades, those guys are grinning like the Cheshire Cat! I probably don't have to tell you, there is a good chance that we may lose enough seats in Congress to give the other side a majority, and they will make the last two remaining years of President Trump's term pure nightly news impeachment HELL for ALL of us. WE must not let that happen! WE, means you and I, not some vague party leader back east; WE must become dedicated to unity in our party and unity in our nation. WE were in such danger in World War II, and *WE the People* of the nation came together in strength and purpose to defeat the most-deadly military complex ever brought together to conquer the world, the Axis Powers. The "Greatest Generation" united in war to literally save the world.

We are currently in a war too; a psychological war. We must unite the same way, and step forward to do our part. We are asking for local support and for everyone to attend meetings and volunteer for much needed areas of activities. If you would like to volunteer for activities, we welcome you. This Spring Volunteers and Precinct Committeemen can go through the process to become Elected Precinct Committeemen. The process to become Precinct Committeemen is another important task involving leadership in individual election precincts and your own neighbors. If you can help candidates with signatures, great! You may be able to help with fund raising, selling raffle tickets, or helping to oversee community activities. If your time is limited, but you can attend the monthly meetings, we need help there too, with setup and cleanup of the building, security, food, coffee, etc. If you have a great idea to help, we want to hear it. This is an "All Hands-on Deck" effort this year, please step forward and help. There are abundant duties - some that can fit your strengths to help move us forward. If you would like to become involved, please call or text Jim Parks at (928)853-5635.

Thank you.
Jim Parks, Chair

Our Christmas Brunch with honored guests with Chairman Jim Parks – from left William Whitley from Turning Point, Gabby Ehmann representing Arizona Teen Republicans, and our very own Honorable Paul Gosar.

Representative Gosar gave an incredible 'inside' look at the reality in DC. We look forward to working with Turning Point Action in 2026 and supporting NAU's Turning Point USA. We would like parents to know that Arizona Teen Republicans would like to help start a chapter in Flagstaff. Please contact us if you are interested.
