Dear Mr. Ogen,

This correspondence is sent by AIG Claims, Inc. as authorized claims administrator for The Insurance Company of the State of Pennsylvania.

As a follow to the e-mail sent to Natalie Sedaghati on July 12, 2019, your office has yet to provide your theory of liability. Furthermore, the Third Party carrier, Sedgwick Claim, failed to prove liability in Arbitration.

After a evaluating this matter, we can only conclude that our insured is not liable for this loss. However, I can extend an offer of \$1,000.00, in settlement and conditioned upon the full and complete release of all parties and the unconditional release of all liens.

Thank you and we look forward to hearing from you.

Very truly yours,

Casualty Claim Specialist III
