

Painted Pouches

February 8 and 15th 6-8pm

Join us for a two-day workshop creating beautiful and unique canvas zip-up pouches with local artist Laura Smith!

During the first session we will focus on creating the design itself using paints, inks, stencils and other various items. The following week we will assemble the bag and apply the zipper along with beads, special stitches or whatever you want to embellish the piece and make it as personal and unique as you like.

Bring your own drinks and snacks as well as a friend!

RSVP: 319-350-1805

Class fee \$55, includes both classes, all supplies and use of sewing machines
