A Letter from the Director

Dear Alumni and Friends,

As we reflect on 2025, I am filled with gratitude and pride for the ways our alumni community showed up, stayed connected, and continued to strengthen what it means to be part of the Pack. This past year reminded us that alumni engagement is not just about events, but about shared experiences, lifelong relationships, and creating moments that bring us back together.

In 2025, we celebrated traditions and created new memories through signature events like Homecoming, welcomed families and alumni alike at ElectriCrittters at the Pueblo Zoo, and empowered our alumni-community through Financial Literacy Workshops in partnership with Canvas Credit Union. These programs not only connected alumni back to campus, but also extended our reach into the broader community, something we are deeply proud of.

We were also excited to launch our alumni swag campaign in 2025, giving alumni new ways to show their Pack pride. The response has been incredible, and we look forward to expanding this campaign and offering even more opportunities to represent CSU Pueblo in 2026!

As we look ahead, 2026 promises to be a year full of possibility, connection, and new adventures. We are taking the Alumni Association on the road, with planned visits to California, Texas, Arizona, and Denver, bringing the Pack to you and creating opportunities to reconnect no matter where life has taken you- so stay tuned!

Thank you for being an essential part of this community, whether you attended an event, wore your Pack pride, shared your story, or simply stayed connected via social media. Your engagement is what makes our alumni network strong, vibrant, and meaningful.

Here's to a new year of opportunities, renewed connections, and continued Pack pride. I look forward to seeing where 2026 takes us, together!

Go Pack!

FIRST-CLASS MAIL

IMPORTANT ALUMNI VERIFICATION NOW DUE
Please call 1-800-000-0000 in the next 5 days.

The CSU Pueblo Office of Alumni Relations has partnered with PCI (also known as Publishing Concepts) to produce our new alumni directory. Based in Dallas, PCI publishes directories for educational institutions, fraternities, sororities and military organizations across the nation. This project allows the Alumni Association to receive important updates to our database so we know more about our alumni and how we can better serve you and future alumni.

All updates are returned to CSU Pueblo, so that our database remains current. PCI is only collecting information for purposes of the directory. It is a great way to stay connected to the CSU Pueblo alumni community!

Using the newly collected information, PCI will produce a hardcover publication that is available for purchase. The published directory will allow you to reconnect with old classmates. Electronic editions will also be available. Everyone will be offered the option of purchasing the CSU Pueblo Alumni

Directory, but **no one is under any obligation to purchase a copy in order to be included in the publication, the association/foundation sees \$0 from the purchase of these directories.**

I ordered a directory/package over the phone and would like to cancel my order. How do I do this? Contact PCI's customer service helpdesk at 1-800-982-1590 / PCIService@publishingconcepts.com and they will take care of this for you.

Please be assured that this directory project is coordinated with the CSU Pueblo Office of Alumni Relations. If you have any questions, please feel free to call our office at (719) 549-2858 or alumni@csupueblo.edu
