MIAMI EATS.

Order Out, Help Out.

Due to the Coronavirus pandemic and its dramatic impact on the hospitality industry, the Greater Miami Convention & Visitors Bureau (GMCVB) has launched **MIAMI EATS** - a new program to help your restaurants and your employees during this crisis.

Now more than ever, you need our support, so we are asking all Greater Miami residents to please consider ordering out when possible. In turn, many of you are offering special deals. While there are many great food delivery services available, we are also encouraging everyone to please call the restaurants directly.

As we have done in the past with our signature Miami Spice program, the GMCVB will be launching immediately a comprehensive marketing program that will include digital, print and social media as well as a dedicated public relations outreach driving traffic to www.GMCVB.com/MiamiEats.

This program is completely **FREE** for all restaurants in Miami-Dade County regardless of location or price point. To participate in this campaign, please fill out the below portion of this form and email to MiamiEats@GMCVB.com.
