

"Tina was a dedicated member of our chapter who was always ready to help in any way she could. As President, Tina guided our chapter with graceful strength. Tina always had a smile and warm hug for everyone. I was blessed with being Tina's room mate at EDSymposium in Nashville, TN. We shared lots of laughs, learning and a bit of adventure as we toured the city. Tina held a similar position with her firm as I do, and she was always available to bounce things off of and give great advice. Tina is greatly missed."

"I started working with Tina over 20 years ago. I was just a young salesman that stopped into her office and she had no idea who I was. From the very first day, she greeted me with that smile of hers that no one could forget. She made feel special from the very first day I met her. We built a long term business relationship over the years and every time I stopped in to her office (usually unannounced), no matter how busy she was, she always sat down with me and treated me like I was one of her family. I will miss Tina and I wish we all could have been able to spend more time with her. She was a kind soul. She was beautiful inside and out."
