MEMBER HIGHLIGHT

Have you met Joan Silva, CDFA?

in her own words...

Hello, my name is Joan Silva. I was born in Austin but raised my entire life in San Antonio. I am the Office Manager for Pfluger Architects, Inc. and have been with the firm for 21 years. Pfluger designs educational facilities, mostly K-12 schools. It was always a proud moment to see my children attend schools that Pfluger had designed. I am known as the "office mom" since I have six children of my own. My children are my life and range in ages from 24 down to 7. Crazy, yes, I know. I also am a grandmother!!! There is never a dull moment in my house. I joined SDA in 2020 and passed my CDFA this year!! That was a huge accomplishment for me since it has been quite a few years since I have had to study for anything. I did all that while buying a home because, why not add more chaos to the pot. Now that the year is settling down, Pfluger will be moving to the Pearl and we are super excited about that. I look forward to learning all the amazing things SDA has to offer while making friendships that will last a lifetime!! - Joan
