Open Studio Architects was awarded as one of San Antonio Business Journal's 2022 Best Places to Work!

Fisher Heck Architects honored at Power of Preservations Annual PROM Event that celebrates historic preservation work and craftsmen in San Antonio.

First, the Dry Goods Building won the Peoples Choice Award for best preservation project! Thank you so much to everyone who voted!

The Witte Building was honored as the Best Preservation Project this past year!

We are truly humbled for the opportunity to be a part of these wonderful projects that have amazing clients who value their preservation and rehabilitation efforts! Congrats to both teams involved! Pop SATX, GW Mitchell Construction, Weston Urban & Guido Materials."
