

# Animal Waste Operator and Planner

## *Certification Training*

**March 25-26, 2020**  
**UGA Livestock Arena**  
**2600 S. Milledge Ave., Athens, GA**

**Overview:** All permitted livestock operations (other than dry poultry operations) must have a certified animal waste systems operator and an implemented nutrient management plan written by a certified planner. In previous years this has been 2 separate trainings one to certify farm owners/employees to properly manage animal waste systems the other to certify people to write nutrient management plans. This training has been combined into one training with break-out sessions on day 2 for topics specific to each group. Both certifications require completion of this course and passing of the exam. This is the only operator/planner certification course this year.

**Day 1 (Wednesday 03/25):** Instruction begins at 10:00am, lunch and break refreshments provided, session concludes by 5:00pm.

**Day 2 (Thursday 03/26):** Instruction begins at 8:00am, morning and noon breaks: lunch and refreshments provided, sessions conclude by 3:00pm with GA Department of Agriculture exam.

**Registration:** Please pre-register by **March 18, 2020**. Registration form and instructions below

**Fees:** For Attendees that are **GDA, pork, or dairy producers**, registration is paid by GDA.

For all other attendees, registration fee is **\$150 per person** for operators and **\$200 per person for planners**. You can mail a check in with your registration form or bring a check to the training. Checks should be **payable to UGA**.

**Location:** Course will be held at University of Georgia Livestock Arena, Located on South Milledge Ave in Athens. Take hwy 10 loop to exit exit 6 (Milledge Avenue) turn east. The livestock arena is on the right just before Milledge dead ends into Whitehall Rd.
