1	school planner	
---	----------------	--

**\*\*In our experience, Twistable crayons have been proven to be the most durable and efficient. While colored pencils are acceptable, they tend to break and cannot be sharpened in the electric sharpener. The lead of the colored pencils is too soft and becomes stuck in electric sharpeners, causing the sharpener to jam and break. If you choose colored pencils, please also provide your child with a personal, manual sharpener with a catch.\*\***
