

**ELA IXL Assignment Summer 2021**  
**Directions for Rising 8th Grade Students in Advanced ELA**

1. Be sure to log-on to <https://www.ixl.com/> using the username and password provided to you by ICS.
2. As a student in **Advanced ELA class**, you will complete the required skills listed below at the **grade level you are entering**. Therefore, as a rising 8th grader, you will complete 8th grade skills this summer.
3. In order to receive credit, summer work must occur on or after June 12th, 2021 and be completed by August 29th, 2021. This allows two months to complete the requirements for active practice.
4. We recommend that skills are practiced **throughout the summer** rather than all at once to maintain concept mastery.
5. Parents should sign the bottom of this form to indicate that your child has completed his/her summer work.
6. Please complete this checklist of required skills indicating the percentage achieved and the date each skill is completed. Students are asked to achieve a **minimum of 80% mastery** for each of the assigned skills.
7. IXL summer work is worth 30 points if each of the assigned 15 skills is completed to 80% mastery. Points will be deducted if all skills are not completed or 80% mastery is not achieved.
8. You are welcome to work on additional skills if you would like, however, these will not be graded.
9. **Please return this form to your ELA teacher on the first day of school, Monday, August 30th, 2021.**
