

ELA IXL Assignment 2021 Summer
Directions for Rising 4th Grade Students

1. Be sure to log-on to <https://www.ixl.com/> using the username and password provided to you by ICS.
2. Complete the required skills listed below at the grade level you just completed to review over the summer. You will review third grade skills.
3. In order to receive credit, summer work must occur on or after June 14, 2021 and be completed by August 29, 2021. This allows two months to complete the requirements for active practice. It is recommended that skills are practiced throughout the entire summer rather than all at once to maintain concept mastery.
4. Parents should sign the bottom of this form to indicate that your child has completed his/her summer work.
5. Please complete this checklist of required skills indicating the percentage achieved and the date each skill is completed. Students are asked to achieve a minimum of 80% mastery for each of the assigned skills.
6. IXL summer work is worth **20 points** (2 points per skill) if each of the assigned skills is completed to 80% mastery. Points will be deducted if all skills are not completed or **80% mastery** is not achieved.
7. You are welcome to work on additional skills if you would like, however, these will not be graded.
8. **Please return this form to your ELA teacher on Monday, August 30, 2021, the first day of school.**
9. If you have any questions regarding ELA summer work, please contact arowan@theimmaculate.org

****Please be aware the skill numbers are sometimes adjusted by IXL.com over the summer. If the letter/number combination on the IXL website does not align to the list of assigned skills, please work on the skill that matches the **description.******
