

Dear 6th grade parents,

Immaculate Conception School is committed to helping students develop a love of reading and improve their reading comprehension skills. Current research on summer reading tells us that students should read during the summer to maintain independent reading levels. The intention of the summer reading expectation at ICS is to foster the continued application of the valuable reading strategies taught and developed over the course of the school year. Now, more than ever, an emphasis on reading will help your child prepare for the upcoming school year.

### **Summer Reading Expectations**

#### **I. Choice Novel**

On page 3 of this PDF, a list of choice reading material from grades 6-8 is provided. Please select the choice reading material from this list. This novel will be used at the beginning of the school year. Students will present their choice novels to the class in a presentation that they will create within the first two weeks of school **as a graded assignment for oral language and reading comprehension.**

The ELA department also encourages students to read as many books as they would like throughout the summer. Parents can use [www.common sense media.org](http://www.common sense media.org) or <https://clubs.scholastic.com> to determine appropriateness levels for their children. We encourage parents to engage their students in conversations about their reading!

#### **II. Required All-Grade Novel**

In addition to one choice novel, the entire grade will read one assigned non-fiction book. These novels can be found at your local library, Amazon, or local bookstores.

There will be a discussion on this text **graded for reading comprehension and oral language.**

- The assigned reading for 6<sup>th</sup> grade is *All Thirteen: The Incredible Cave Rescue of the Thai Boys' Soccer Team* by Christina Soontornvat

**ISBN-13:** 978-1536209457

#### **III. IXL Practice**

Families should refer to the IXL PDF for Grade 6. Students will use a log to record their progress. Students should work to 85% mastery or better. The mastery on IXL will be awarded up to **30 points towards the student's grammar grade** as completed in compliance with the listed IXL skills.

Wishing you a wonderful summer!

-The ICS middle school language arts department
