

Summer Bingo Directions
For Rising Kindergarten Students

Dear Parents,

Welcome to kindergarten! We have planned some fun math and literacy activities to complete with your child over the summer in preparation for the new school year. Please complete the entire Summer Bingo board and cross off each box's activity as you finish them. Please have your child follow each direction on the attached record sheet. Return your summer Bingo board and record sheet to your kindergarten teacher by Wednesday, August 31. We hope you enjoy these literacy and math activities!

Sincerely,
The Kindergarten Teachers
