Charlevoix County Transit eliminates fares, adds food delivery service

Charlevoix County Transit has announced that under the Stay Home Executive Order issued on March 23rd, transit service is considered an essential service. Service hours have been changed to 7 a.m. to 4 p.m. Monday through Friday. Transit will be providing free passenger rides to locations that are designated as essential services (medical, essential work locations, food/grocery locations). In addition to those passenger rides, transit will provide delivery service for the Commission on Aging Senior Meals Program. Residents who'd like to receive a senior meal should call the Commission on Aging office at 231.237.0103 by Thursday to reserve meals for the following week.

Transit will also be providing free service for other types of deliveries as well. Residents of Charlevoix County can call Transit and request that food pantry boxes, student/school meals, groceries and prescriptions be delivered to their homes. All deliveries are free, however, the resident must arrange for items to be boxed/bagged and ready for pick-up and arrange for payment of their items being purchased.
