Instructions for placing food orders at the Senior Centers between Monday, March 16, 2020 and April 15, 2020

Boyne Area Senior Center

Congregate meals will be available for CURB SIDE PICK-UP ONLY beginning Tuesday, March 17, 2020 through April 15, 2020.

All meals will include Milk, Bread, Butter, 2 Vegetables and a Fruit. We are unable to do any special orders at this time. Meals will still be a \$3.00 donation for each meal you order.

Seniors wishing to get meals should call the Boyne Area Senior Center at (231) 582-6682 one business day in advance to reserve meals between 9am -2pm. Menus are subject to change from what is printed on the monthly calendar due to the lack of availability of some products.

Seniors who do not want to drive to get a meal every day, you may order up to (6) frozen meals for pick-up in addition to the day's hot meal.

Meals can be picked up at the Boyne Area Center, Monday-Friday from 11:30am-12:30pm. Suggested meal donations remain \$3.00 per meal.

Please follow the pick-up route when you come to pick up your meal. It will be defined by cones and signs.

Please stay in the pick-up line, do not park or get out of your cars. Staff will come to you to confirm your order, pick up your donation and give you your meals. If you are not on the order sheet you will be asked to complete a NAPIS FORM and turn it in at your next order pick up.

We ask that you please be patient with this process as it is our priority to keep this nutrition service available to you during this Pandemic.
