

National Manufacturing Day returns
for Char-Em ISD students!

OCT. 8-9-10, 2019

Clockwise from left: Petoskey Plastics, Petoskey; Industrial Magnetics, Inc., Boyne City; and Central Industrial, Harbor Springs - 2018 MFG Day tours

'Over the next decade, nearly 3.5 million manufacturing jobs will be needed in the U.S., and 2 million are expected to go unfilled due to the skills gap.'

Deloitte and the Manufacturing Institute

Open Doors, Open Minds!

On Oct. 8, 9 & 10, 2019, area students will have the opportunity once again to tour some of the region's most unique, innovative and important manufacturing facilities. Tours will take place during school hours at several locations throughout Antrim, Charlevoix, Cheboygan and Emmet counties. Transportation to and from the manufacturing sites will be coordinated by the individual school districts. *Following are the participating manufacturers:*
