

# TREAT YOURSELF TO A FUN NIGHT At STIGG'S PAINT & PINT NIGHT!

WHEN: Thursday November 7th, 6PM-9PM

WHERE: Stiggs Brewery, Lower Level

COST: \$25 paid in advance

Stiggs is donating proceeds  
to The Create Center of Boyne City  
so they may purchase art supplies  
for local children.

June Storm, well know local artist and painting instructor, will be helping participants create a winter landscape painting using acrylic paints. It will be different than the painting June did last year. All supplies needed will be provided and your fee includes a drink from the bar.

June attended the Flint Institute of Arts and has studied under many well-known artists. Her love of art and passion for teaching others is evident to anyone lucky enough to study with her. You can see her paintings at the Boyne Art Collective.
