The Health Screening Form is a weekly, mandatory requirement for access onto The Westview School campus. All questions must be answered truthfully and accurately in their entirety. Please keep in mind when answering the form questions that you are answering for your child. While the school is only requiring you to complete the actual form one time a week, we do want to emphasize the importance of daily self-screening. **If any of your answers change to YES, Westview should be notified immediately AND prior to dropping your child off at carpool.**
