

April 2, 2020

Dear GCPC Healthcare Professional,

On behalf of the middle school and high school youth at GCPC, we want to say thank you for your courage and hard work in this unusual time.

We appreciate the risks you take for our health and safety, and the sacrifices you make for this community.

You and your families are in our prayers and on our hearts. Keep up the good work!

Blessings,  
GCPC Youth Group
