Dear GCPC Homebound Member,

The GCPC youth group is thinking of you. We want to remind you that we are here for you during these troubling times. We can relate a bit to what you are going through because we are experiencing cabin fever just like yourself.

Even though we can't see you, you are in our hearts and prayers.

Thank you for the lives that you live, and your many contributions, as well as the stories that you tell. Thank you for being with GCPC even though we are not together in person.

Blessings,  
GCPC Youth Group
