A note to Marcia, Richard, the living saints of GCPC, friends and those whom I have yet to meet who raised my needs to great God almighty in prayer and thought during this month of desperation…Having been so sustained I now seek with eager anticipation and amazed expectation what further plans God has for my service in the name of our Lord and Savior.

Through your mighty prayer force I was surrounded by life sustaining angels in the OR and ICU who provided love and TLC.

Among these angels was thankfulness to God for our daughter Constance who was with me day and night just as she sustained Irene; another truth of the scriptures in rasing our children with Christ as head of the house.

With love to all,

Ken
