Dear GCPC Educator,

Thank you for all the hard work you are doing during this pandemic.

Keep up the great work and thank you for taking the time to learn and manage class through Zoom.

Thank you also for staying positive and showing us how to work hard even though we don't want to at the moment. Thank you for letting us have new opportunities and new things that we normally don't get to do at school.

We are grateful that you care enough to take the time to research these new methods of connecting with us from a distance.

We know that you have your own lives and challenges to deal with in this situation, and your focus on us and our learning is meaningful and inspirational!

Thank you, valued GCPC community member and see you soon!

Blessings,  
GCPC Youth Group
