

# ALZHEIMER'S ADVOCACY DAY

**Wednesday, January 18, 2017**

**8:00am – 2:30pm**

**Mississippi State Capitol**

**1<sup>st</sup> Floor, Rotunda**

**Alzheimer's  
MISSISSIPPI**

Please join us on this as we gather to provide information to our elected officials about the many residents of Mississippi who are impacted by Alzheimer's disease and related dementias.

This event brings Alzheimer's Advocates together to create awareness of policy issues surrounding Alzheimer's disease and draw attention to the implementation of the:

***Mississippi's State Strategic Plan for Alzheimer's Disease and Related Dementias.***

***As an advocate, you will have the opportunity to:***

- ★ Meet face-to-face with your elected officials
- ★ Tell your personal story to key decision makers
- ★ Bring awareness to the importance of the collaborative partners' public policy priorities
- ★ Become an active Advocate
- ★ Discover Resources
- ★ Learn about the legislative process

Each one of us can make a difference...Join us in becoming an Alzheimer's Advocate today as we combine our voices to will change the projection of Alzheimer's disease and together we will STOP Alzheimer's disease.

52,000 Mississippians are living with Alzheimer's disease • Alzheimer's is the 5<sup>th</sup> leading cause of death among adults • 206,000 caregivers provide informal care valued at \$2,800,000,000.
