

Dec. 8, 2020 Summary

Infection rates

- 5 COVID-19 infections in research areas in last two weeks; 3 recent infections in BSRB are not related

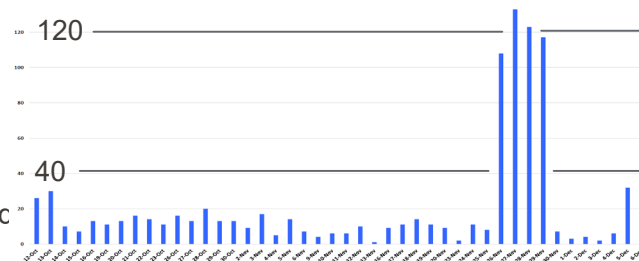

Screening Update: New Disciplinary Process

- Spikes of non-compliance about screening over the Thanksgiving holiday and this past weekend have prompted a new disciplinary process that **starts Sat. Dec. 12**

Reminder of screening expectations

You must always be screened prior to entering any MD Anderson facility. If no screener is at your building entrance, you must first go to another open screening location to be screened.
