Staying Connected during the Holidays

Here are the steps to sign up and load the ChurchLife app for directory and calendar access:

- 1) From a computer, go to: <https://secure.accessacs.com/access/memberlogin.aspx?sn=95615>
- 2) Click on the link, "Need a login? Click here."
- 3) Enter the e-mail the church has on file for you. If you don't know which e-mail address to use, e-mail Tom Bloom, business administrator at: t.bloom@firstpres-durham.org and he will let you know the email address to use.
- 4) Setting up your password: Once you complete step 3, you will receive an e-mail from Church Life with a link to set a password. Please make a note of the password. You will need it to log into the app.

Loading the app on your smart device:

- 5) On your smartphone, choose your app store, search for "Church Life" app and follow the instructions from there. This is a free app so if you find one that asks you to pay something, you have the wrong one!
- 6) Once the app is downloaded, sign in using the email and password used in steps 3 and 4 above. You should now have the membership directory and church calendar handy when you're on the go. The first time you sign in, you can check the box to "remember me" and then you won't have to put in your email and password each time. You can also update your personal profile and add/change your personal/family photo whenever you like. All changes must be confirmed by the church office before they are posted live.
